

GUIA PRÁCTICA DE CÓMO HACER LA PREMATRÍCULA EN LAS ASIGNATURAS DEL PLAN DE PLURILINGUISMO

Como ya sabéis, está abierto el plazo de pre-matrícula para cursar asignaturas en inglés durante el curso 2023/2024 en los Grados de Veterinaria y Ciencia y Tecnología de los Alimentos.

Para que puedan aparecer en las opciones de matriculación a la hora de realizar la matrícula por autoservicio, es necesario realizar una preinscripción de las asignaturas a cursar en esta modalidad, antes del inicio de la matrícula. Si ésta no se hace, desde la Facultad no se podrá comprobar que se cumple con los requisitos necesarios, y cuando realicéis vuestra matrícula en Sigma, no os dará la opción de marcar las asignaturas en el grupo con docencia en inglés.

Esta pequeña guía, intenta facilitaros el procedimiento a seguir. Así que comenzamos:

1.- Debemos acceder al programa propio que tenemos en la Facultad para poder organizar y certificar la docencia del mismo. Esto se hace, accediendo a través de la siguiente plataforma online: <http://www.uco.es/vet-food/>

The image shows a screenshot of the Faculty of Veterinary Science website. At the top, there is a red navigation bar with links: HOME, GOVERNING BODY, STUDIES, LOCATION, INTERNATIONAL OFFICE, RESOURCES, NEWS AND EVENTS, and FREQUENTLY ASKED QUESTIONS. Below this is the faculty logo and the text 'Faculty of Veterinary Science Itineraries in English', along with social media icons for Twitter, Facebook, and Instagram. A large banner features a group of students sitting on grass with the text 'Opening up new horizons' and 'The Faculty of Veterinary Medicine offers English degree programmes in Veterinary Medicine and Food Science & Technology.' Below the banner, the text 'Itineraries in English' is displayed. On the right side, there are three program cards: 'Degree in Veterinary Medicine (English Itinerary)', 'Degree in Food science and technology (English Itinerary)', and 'Erasmus Programme at UCO Website'. At the bottom left, a blue button labeled 'Application Form for Admission' is highlighted with a yellow arrow.

2.- Ten en cuenta que si ya has utilizado esta plataforma en cursos anteriores, debe de cambiar el curso académico en datos internos, para que no te de error, y deberás cumplimentar tus datos y aportar nuevamente el certificado de acreditación del idioma.

Application Form

For Admission To Subjects Of The Itinerary In English

▶ Personal Information

Fields marked with * are mandatory

Name *

Surname *
ID-Card/ Passport *
Email *
Mobile Number *
Phone Number
Address *
Postal Code *
Province *
City *

- I am a first-year student
 I am an Erasmus student

Academic Record *

Ningún archivo seleccionado

The file size is limited to 10 MB and the allowed format is .pdf.

English Language Proficiency Certificate *

Ningún archivo seleccionado

The file size is limited to 10 MB and the allowed format is .pdf.

Degree

▶ Important

- I have read and accept the privacy policy

Seleccionamos el grado al que pertenecemos

Submit

NO OLVIDES APORTAR EL CERTIFICADO DE IDIOMA

3.- Aquí, al contrario que en Sigma, si debemos marcar todas las asignaturas que deseemos cursar dentro del plan de plurilingüismo, sean completas o parciales.

▶ Veterinary Subjects

| Course | Code | Name | Type | Language |
|-------------------------------------|--------|--|------------|---|
| <input type="checkbox"/> 1st course | 101452 | Biochemistry | Compulsory | Theory and practicals in English |
| <input type="checkbox"/> 1st course | 101465 | Cytology and Histology | Compulsory | Theory and practicals in English |
| <input type="checkbox"/> 1st course | 101454 | Embryology | Compulsory | Theory and practicals in English |
| <input type="checkbox"/> 1st course | 101498 | Application of Biochemical Methodologies in Veterinary | Elective | Theory and practicals in English |
| <input type="checkbox"/> 1st course | 101494 | Caring, Feeding and Training of Dogs | Elective | Theory and practicals in English |
| <input type="checkbox"/> 2nd course | 101456 | Neuroanatomy and Topographical Anatomy | Compulsory | Theory and practicals in English |
| <input type="checkbox"/> 2nd course | 101474 | General Pathology | Compulsory | Theory in Spanish and practicals in English |
| <input type="checkbox"/> 3rd course | 101471 | Image diagnosis | Compulsory | Theory in Spanish and practicals in English |
| <input type="checkbox"/> 3rd course | 101458 | Parasitic Diseases | Compulsory | Theory in Spanish and practicals in English |
| <input type="checkbox"/> 4th course | 101487 | Food Hygiene | Compulsory | Theory and practicals in English |
| <input type="checkbox"/> 4th course | 101489 | Food Inspection and Control | Compulsory | Theory and practicals in English |
| <input type="checkbox"/> 4th course | 101480 | Reproduction and Obstetrics: Pathology and Obstetrics | Compulsory | Theory and practicals in English |
| <input type="checkbox"/> 4th course | 101462 | Deontology, Legal Medicine and Veterinary Legislation | Compulsory | Theory in Spanish and practicals in English |
| <input type="checkbox"/> 5th course | 101509 | Equine Medicine | Elective | Theory and practicals in English |
| <input type="checkbox"/> 5th course | 101515 | Equine Reproductive Technologies | Elective | Theory and practicals in English |
| <input type="checkbox"/> 5th course | 101516 | Equine Ultrasonography | Elective | Theory and practicals in English |

Por último, cuando vayas a realizar la matrícula para el próximo curso en los plazos que la Universidad habilite para ello, debes tener en cuenta marcar correctamente el grupo en inglés, de las asignaturas que has pre-matriculado.

Quién no se haya inscrito no podrá cursar asignaturas en plan de plurilingüismo.
